Allowable Subject Matter

1. Claims 26-31, 35-46, and 48-55 are allowed.

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose the central station computer system is further programmed to process vehicle location information for a vehicle due to arrive at a given port, to provide an estimated time of arrival of the vehicle at that port and for including the vehicle in the vehicle search group for that port if the estimated time of arrival is within a predefined time period; including in vehicle search group of a given port the vehicle at a charging facility at the port if the vehicle has a charging time period which is due to expire within a predefined time period; and the charging order of the vehicles is based on the current stored amount of energy, with the lowest being charged first and the highest last; and said charging facility defines a charging rate for each vehicle as the vehicles increasing SOC over the charging period and wherein the plot of the charging rate of each vehicle includes a generally linear region and a nonlinear section and assigning vehicles to charger if SOC of the vehicle is in the linear region; and determining when the SAE is greater than a predetermined value and the central station generating a first signal in response to the sensed SAE being less than a predefined minimum and then displaying a warning message on the vehicle display device in response to the first signal; and allocating vehicles to effectuate an efficient battery charging operation in the fleet comprises allocating a vehicle with a state of charge corresponding to a non-linear charging rate if such a vehicle is available, otherwise allocating a vehicle with a state of charge corresponding to a linear charging rate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
